

CALL FOR PAPERS
International Conference
"International Migration and Social Integration: Inclusion and
Entire Development"

To: *Scientists, scholars, lecturers and researchers from educational and research institutes, domestic and international organizations.*

International migration has become one of the most researched topics in Vietnam and around the world, especially in countries with a high number of migrants and immigrants. In order to promote scientific research results interchange, create an academic forum for discussions on issues regarding changes, adaptation, and social integration of immigrants in countries around the world, from which to suggest solutions for limitations of migration, strengthen the ability to adapt of migrants in the processes of social integration, Vietnam Women's Academy in collaboration with Chonnam National University, Korea, will organize an International Science Conference with the theme **"International Migration and Social Integration: Inclusion and Entire Development"**
